

FIT FOR DUTY & FIT FOR LIFE

Our goal is the successful reintegration of every warfighter.

The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veterans' careers on track. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch, and all expenses are 100% covered.

REPORT: EVOLUTION 34, FEBRUARY 2024

Warfighters come to the 7-Day with distinct and complex situations. Our goal is to provide actionable solutions for every warfighter that comes through our program.

WHERE WARFIGHTERS COME FOR REAL ANSWERS

CWO4 Berlin Gabretti, USCG (ret)

Attending Warfighter Advance with other military veterans, firefighters, and first responders provided team building activities to build courage, accomplishment, healing, accountability, closure, and mentorship. The program teaches support networking, becoming a force multiplier, the importance of physical fitness, and techniques to living a healthier life. Warfighter Advance provides veterans with an opportunity to see that life is good and worth fighting for. Today, I'm in a much better place in my life with my marriage, health, family, friends, and wellbeing. I returned to Warfighter Advance to become a mentor and advisor to attendees because I believe in the program and its ability to give veterans back a chance at life.

CWO3 James Kelly, USN (ret):

Warfighter Advance changed my life! Before coming I felt lost and defeated from divorce, financial setbacks, multiple shoulder surgeries, and a declining relationship with my kids. My interaction with the staff on day one made me feel welcomed and gave me hope that I made the right decision to attend EVO 34. After day 3 of Warfighter Advance, with continuous reinforcement from fellow warfighters and staff, I felt I was liking myself again and began to feel I could take on challenges as I once did. I left holding my head high, proud of myself and ready to restart my journey. I will be returning to future Warfighter Advance EVO's to share my own experiences and to encourage my fellow warfighters. The knowledge you gain here is power to get the greatest weapon back... ourselves!

SPC Ricardo Ortiz, USA:

I want to thank you for everything you have done for me. On behalf of my wife, who is the one who has suffered the most because of my situation, on behalf of my children, my parents and my sister, on behalf of us who were in the program, I wish to give you the most sincere thanks for your great help. I also wish, on behalf of all Puerto Rican veterans, to congratulate and thank you for your work. I, Ricardo Rafael Ortiz, in the name of God, bless you. I exhort you to continue the good work you do that saves lives. I love you all and I have to stop now because I'm about to cry. Thank you.
