

## FIT FOR DUTY. FIT FOR LIFE.

Our goal is the successful reintegration of every warfighter. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch. There is never any cost to the warfighter. Our participants receive room, board, tuition, and materials when they attend.

### REPORT: EVOLUTION 32, OCTOBER 2023

**17 Participants**

**10 States**  
**1 Territory**  
**3 Countries**

**4 Branches**

**4 Conflicts**

A post trauma soul is wounded in individual and complex ways. Our goal is to be so personalized that we provide stimulation that releases healing in everyone we touch.

Our Evolution 32 attendees represented 10 states, one territory, and two ally countries. This cohort was resplendent with diversity of age, race, religion, sex, and nationality. Within days, a new unit was formed, where differences fade and the commonality of service and sacrifice comes into focus.

Our first participants hailing from the beautiful island of Puerto Rico were warmly welcomed by two alumni, also of Puerto Rican decent. **SSG Moreno** (USA, ret, center) found the program profoundly rewarding and feels motivated to give back and join our mentor team. He is already spreading the word. We hope that many more warfighters from Puerto Rico will be with us at future evolutions.

We were privileged to have our first father and son attending the same evolution. HM2(FMF) **Bronson** served in Vietnam, and his son, **SGT Bronson**, served in Afghanistan. Doc Bronson was honored with a Vietnam War 50th Anniversary Commemoration pin at the opening dinner of EVO 32. The Bronsons came to us from Massena, NY. They were encouraged to attend by alumni of previous evolutions who wanted others to benefit as they had.

#### **1st LT Walker and SSG Hernandez**

Veterans of the war in Vietnam, these warfighters both served in Vietnam and healed together in EVO 32. Few veteran-oriented non-profits serve our Vietnam veterans, reserving their resources for OIF/OEF era veterans or veterans who specifically served in Iraq or Afghanistan. In these two veterans, we saw a magical bond with those who have served over a span of more than 50 years. The mentorship, guidance, and bravery of our oldest participants inspire every participant to do better.

*The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veteran's careers on track. Warfighter Advance hosts The ADVANCE 7-Day throughout the year, and welcomes twenty new participants (active duty, veteran, reserve, retired - any age or conflict) to each evolution. Warfighter Advance welcomes warfighters who are discouraged because nothing that has been offered to them has been helpful, as well as those who have self-medication or substance abuse problems.*
