

WARFIGHTER ADVANCE

WHERE WARFIGHTERS COME FOR REAL ANSWERS.

EVOLUTION 037 SEPTEMBER 2024

Our goal is the successful reintegration of every warfighter. The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veteran's careers on track. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch, and all expenses are 100% covered.

ACTIVE DUTY

I am so thankful for the experience that was Evo 37. I arrived in an unsure place spiritually and socially. But what I experienced that week, in terms of trust, new relationships, and a restored faith in my direction, meant everything. It's like you don't know you need something, until you need it. It was one of the best unknowns I've ever experienced in my life. Thank you to all involved, because you are all now, forever my family.

SPC ELIZABETH TRAN

ARMY VETERAN

My experience with Warfighter Advance was nothing short of life-changing. The incredible staff and mentors were beyond supportive, and I am proud to now call my evolution my family. The strength, unity, and stories shared among us are unlike anything I've ever encountered. This was exactly what I needed in my life—a true blessing from God. The knowledge, wisdom, and, most importantly, the new sense of self I gained will stay with me forever. Evo 37, I love you all, and I am forever grateful for this unforgettable journey.

CDR JOHN "TIM" JOHNS

CHAPLAIN CORPS, USN(RET)

I was excited to start a new chapter after I retired from the Navy Chaplain Corps. The first year proved very difficult and I struggled to adjust. I was supposed to be the person who helped others deal with these types of issues, not the one who needed help. Warfighter Advance provided me with the tools and support I needed to take the next step toward repairing my faith in God, my family, my fellow service members and myself. I highly recommend it for all veterans, firefighters and first responders.
