

WARFIGHTER ADVANCE

WHERE WARFIGHTERS COME FOR REAL ANSWERS.

EVOLUTION 041 APRIL 2025

Our goal is the successful reintegration of every warfighter. The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veteran's careers on track. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch, and all expenses are 100% covered.

Warfighter Advance is a tangible example of the biblical term “living water.” When I arrived, I was depleted, thirsty, and lacked the proper vocabulary and understanding to even seek the right solution for my condition. I thought I simply needed water. But once I stepped into WA camp and connected with the team and my newly adopted EVO 41 family, I quickly realized it wasn't just water I was seeking.

I was seeking Truth — truth that had been buried under multiple false narratives I was told over time, especially when I reached out for help to explain what I was experiencing mentally, physically, and spiritually. I was seeking Compassion — the kind of compassion demonstrated at WA that allowed me to be vulnerable and transparent in a truly safe space, free of judgment and bias.

I was seeking the Root of Self — WA helped me reconnect with who I was created to be: a Servant. I learned that I wasn't broken or chemically imbalanced due to my experienced trauma. Instead, I am a Servant carrying a “soul wound” — a wound that cannot be healed through medication, but through natural, non-medicated methods, compassion for self and others, and a constant reminder of my true essence.

Every experience, every session, every moment of fellowship at WA was my living water — restoring, healing, and providing nourishment to my soul. Finally, I have attended many conferences, workshops, and retreats throughout my adult life, but none have ever reached the level of excellence that Warfighter Advance does. The attention to detail, the commitment to the WA vision, and the efficiency and respect for time are absolutely above reproach — completely remarkable.

Thank you, Warfighter Advance Team!!!
