Our goal is the successful reintegration of every warfighter. The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veteran's careers on track. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch, and all expenses are 100% covered.

My experience at Warfighter Advance has been nothing short of life-changing. Because of Warfighter Advance, I now have a MUCH greater understanding of personal loss and grief, and most importantly, how to navigate my life and personal relationships in a healthy way. WA gave me my peace back and that's something that I had lost for 14 years! I am sleeping soundly without medicines and my relationships at home were positively impacted immediately. I even enrolled at a yoga studio near my home to help me decompress and maintain my inner peace (and flexibility and balance)! Warfighter Advance is truly doing the Lord's Work.

When I arrived at the Camp, I felt lost and did not think I was going to say a word the entire time besides "here" during roll call. During EVO 41 I learned that I am not alone, and that we are all together in this struggle. Letting you know I attempted suicide was really hard for me, but it felt good to know I was not alone. My small circle has now grown to 30+ people and the shadow is lifted from my soul. I love you for what you have done for me and for everyone, and I would 100% recommend the WA program. I am currently two months sober and tapering off medications. Thank you again to the staff, mentors, and all my new family of EVO 41.

First and foremost, I would like to thank the Warfighter Advance Team for allowing me to be part of this experience. The knowledge I gained has helped me to have a better understanding of a lot of things that we as veterans or service members are not told. Not only the knowledge that I have gained but the amazing experience throughout this program, I have not kept to myself, but I have shared with others. Thank you once again for making me feel not only a part of the Warfighter Advance team but overall, the Warfighter Advance family.
