The Advance 7-Day came into my life at a crucial moment when I was losing focus and purpose. It helped me to get back on track with a new purpose. It helped me get out of a harmful compliance zone and gave me the guts and tools to continue in service to others. It taught me that we are not alone and that our weaknesses can be our strengths. EVO 46 gave me a family and knowledge that strengthens my service principle. Thanks to EVO 46 I can go out every day and help my veteran brothers to have a better quality of life.

Warfighter Advance gave me back my strength and confidence, and a sense of self and belonging I haven't felt in years. I came home from EVO 46 a changed person. I couldn't be more grateful.

The Warfighter Advance family, EVO 46, was something I didn't know I needed. I participated at a critical moment in my life, just a few months shy from my retirement after 20+ years of service. With that transition came a lot of uncertainty and Warfighter Advance was the perfect training that put me in a great mind set to tackle what is to come ahead in my life. I am forever grateful to Warfighter Advance.
