EVOLUTION

047

MAY 2026

Our goal is the successful reintegration of every warfighter. The ADVANCE 7-Day is a unique program that offers a solution for operational stress, psychological trauma, and reintegration issues while keeping veteran's careers on track. Our program is available to active duty, reserve, veteran, and retired military personnel, as well as first responders. We accept military personnel from any conflict, operation, or branch, and all expenses are 100% covered.

When I arrived at Camp Barrett for EVO 47, I truly had no idea what was going to happen. This meticulously planned evolution presented to the attendees a myriad of information and experiences designed to equip us to take a more active and informed role in our

recoveries. Most importantly, it created a cohesive and vibrant support community among the evolution members that has extended well beyond the time and space constraints of Camp Barrett. Evolution members have remained in continuous communication and have provided active support for each other as we have gone back to our "regular lives." As the result of Warfighter Advance, we may be back where we began but we are not the same people that we were.

I'm so thankful for having the opportunity to attend EVO 47. I didn't know what to expect going in but everyday that went by I felt a sense of belonging in a group that was just exactly what I needed at this point in my life. After 27 years of active duty service and 4 years of retirement, Warfighter Advance undoubtedly recharged my batteries: mentally, emotionally, and physically. Understanding that it's okay to feel the way I feel and being able to share my experiences with other service members that had similar experiences was very helpful to me. I totally recommend this program to every veteran out there and hope more sponsors join in this very noble project which helps those of us who devoted our lives to serving our nation with loyalty, duty, respect, selfless service, integrity, and personal courage, the 7 Army values!
